 - **Concepts:** Responsive design, DOM manipulation, cross-browser compatibility
 - **Soft Skills:** Communication, Teamwork, Time management, Team Leadership
 - **Languages:** Albanian (native), English (fluent), Italian (conversational)
-

Projects

Personal Portfolio Website

 2024 |  <https://elvismurati.netlify.app/>

Built a fully responsive personal portfolio website using HTML, CSS and vanilla JavaScript. The site features a clean UI, a projects section, contact form, and smooth navigation. Hosted with GitHub Pages.

Work Experience

Freelancer – Web & Digital Tasks

 Jan 2020 – Present

Worked on small freelance tasks including social media management, website creation using basic front-end tools, and digital strategy for small businesses all over the world and worked on various university-level projects including:

- Programming assignments (Python, JavaScript, etc.)
- Math and physics exercises
- Thesis and capstone project support via Studypool.

Application & Web Tester – Test.io

 **Jul 2024 – Present**

- Testing mobile apps and websites for UI/UX issues, functionality bugs, and performance flaws
- Reporting detailed bug reports with reproduction steps and screenshots
- Working with international teams across multiple projects

Python Programmer – Balfin Group

 **Sep 2021 – Jan 2022**

Assisted with internal tools and automation scripts. Gained experience working with a dev team, improving code quality and communication.

Backend Intern – Fauton LTD (Remote – UK)

 **Apr 2019 – Oct 2019**

Participated in backend development as part of a remote team. Learned collaboration using Git and basic principles of clean code and task tracking.

Education

B.Sc. in Computer Engineering

 **Oct 2019 – Jun 2022 | Epoka University – Tiranë, Albania**

Courses included: Web Development, Software Engineering, Algorithms & Data Structures, Cybersecurity, Linux Systems
